

Aspen Vision City Named Best Township Development (Northern)

A Vision Recognised. A Township Moving Forward.

Aspen Vision City was honoured with the Best Township Development (Northern) award at the 2026 PropertyGuru Asia Awards Malaysia with iProperty, marking a significant milestone in Aspen's journey to redefine integrated living. The award was received by Ir. Anilarasu Amaranazan, Group Managing Director of Aspen.

Strategically located within one of northern Malaysia's promising growth corridors, Aspen Vision City is an integrated township that brings together residential, commercial, retail and lifestyle offerings within a connected and well-planned community. This recognition underscores Aspen's commitment to shaping vibrant, sustainable and future-ready communities, while reinforcing Aspen Vision City's growing presence as a landmark township development in Penang.
